KAUST Internship Opportunities

Our Visiting Student Research Program (VSRP) is a unique internship that offers students the opportunity to conduct innovative research under the guidance and support of KAUST faculty mentors.

The program is open to driven 3rd/4th year Bachelors or Masters students with curiosity and strong academic background.

Students admitted into the program receive:

-  Monthly Stipend
-  Access to KAUST's Core Labs and Major Research Facilities
-  Health Insurance Coverage
-  Travel Costs
-  Shared Housing
