Kasetsart University Announcement
Regarding Safety Measures to Prevent the Spread of COVID-19
Issue 29

This announcement is a follow-up to Kasetsart University Announcement Regarding Safety Measures to Prevent the Spread of COVID-19 (Issue 28, 14 April 2021).

Due to the numerous new infectious cases of COVID-19 and our continuing grave concern, Kasetsart University has extended the effectiveness of Safety Measures to Prevent the Spread of COVID-19, as previously announced.

KU staff shall be permitted to work full-time from home. Staff are permitted to work on-site campus only to carry out necessary duties. This announcement seeks to promote the protection and safety of all KU staff and students, and it hereby extends the guidelines previously set forth in Safety Measures to Prevent the Spread of COVID-19 (Issue 28, 14 April 2021). These announcements should be interpreted and implemented in strict conformance with the safety measures of the Government and Bangkok Metropolitan Administration's announcement, Order of Temporary Closure of Premises (Issue 25, 25 April 2021).

This announcement becomes effective and should be implemented from 1 May 2021 until further notice.

Announced 27 April 2021

(Dr. Chongrak Wachrinrat, Ph.D.)
President, Kasetsart University
